Date: 11 March 2014

Dear Dougal

Proposed Amendment to Parking Restrictions

Dunblane Parking Group meetings have been held for a number of years and discuss all parking related issues within the Town Centre. The Group successfully implemented the controlled parking zone in Dunblane Town Centre during 2009 which regulates parking within the zone Monday – Friday. The Group has now requested that these restrictions be extended to include Saturdays.

The Parking Group is made up of representatives from the Community Council, Local Councillors, Dunblane Development Trust, Traders, Police Scotland and the Council.

The parking restrictions currently in force in Stirling Road, Station Road, Bridgend, Millrow, High Street, The Cross, Kirk Street and Beech Road are currently applicable Monday to Friday (inclusive) between the hours of 8.45 am and 5.30 pm. The parking consists of a mixture of Pay & Display parking, time limited free parking, residents' parking and disabled parking. The Group has raised concerns over problems encountered on a Saturday due to vehicles parking all day within the Town Centre, which the Group considers to be detrimental to the businesses as it removes the short term free parking available to shoppers. The Group has, therefore, requested that the restrictions be extended to include a Saturday and, if approved, would apply Monday to Saturday (inclusive) between the hours of 8.45 am and 5.30 pm. The attached plan shows all the roads affected by this proposed change highlighted in red.

This letter forms part of the initial consultation process. I would be pleased to receive any comments you may have on this proposal by **no later than** Friday 11 April 2014.

Yours sincerely
