

The Dunblane Centre

May 2014

10<sup>th</sup> Anniversary Book Project

Name (if desired):

Your role/association with the Centre:

To help us put together as full a story of the Dunblane Centre as possible, we'd love to know what this special place means to you. Many, many people played a part in its creation and success – from long before it got off the ground, in its early days or having been involved in some way since it opened.

The young people of Dunblane are the Centre's primary focus but it belongs to, and is here for everyone in the town, young or old!

Your thoughts, opinions or stories are of real importance in recording and building a picture of the first 10 years in the Centre's history. It might be what it represents, what you think/enjoy about the activities/events/entertainment it provides, what it means in your role as an employee or volunteer or just what you hope for its future. Please tell us anything that makes The Dunblane Centre important to you, your children or family or the organisation you are involved with. Or just give us a wee story, a memory, or even a sentence or two that you'd like to share. We can't promise to include everything but we'll try our best!

Thank you so much.

Mick, Nora & Pam

Don't forget, if you'd like to send us something, please ensure that we have it by 25 May. Thank you.
