

Dunblane Christmas Extravaganza

Reverse Christmas

for

Start Up Stirling

At 5.30pm on 1st December Santa will arrive on his sleigh accompanied by his elves and, with help from six primary school children, will switch on the lights of a giant Christmas tree at Station Plaza, Dunblane, and the Extravaganza will officially begin.

Youngsters visiting Santa in his grotto are being invited to bring a tin or packet for Start Up Stirling in a Reverse Christmas and, in return, will be given a lasting memento made here by the dedicated teams at Creative Dunblane.

We've been told that referrals to Start Up Stirling from the Dunblane area are increasing all the time so it's wonderful to think that these gifts will be re-distributed to those in our area who are very much in need at this difficult time.

If you'd like suggestions of what to bring then here are some ideas below. Collection pots will also be available if you'd rather put a financial donation in.

Volunteers from Start Up Stirling will also be in attendance on the night.
