Hello,

Many thanks to everyone who came along and contributed to the Laigh Hills meeting in the library last Wednesday evening, it was great to have such a positive event with a range of interests represented.

Additionally, people also viewed the information at the Fling and signed up as interested parties.

We now plan to arrange a further meeting as soon as possible and invite those who expressed an interest in being on the Steering Group to come along so that we can establish a formal group to take ideas and actions forward now. Others on the mailing list will be kept informed of developments. We also hope to set up a page on the Laigh Hills on Dunblane.info community website and upload all the various background reports and documents which were alluded to at the meeting, so that everyone will have an opportunity to have a look at these.

Hopefully everyone receiving this email has agreed to being contacted this way, but do please get in touch if you don't want to be included and we can take your name off the list.

Thanks again for your interest and enthusiasm and we look forward to working together to make the Laigh Hills a great place for everyone to visit.

Kind regards

Caroline and Alan
